

READING RESOURCES

www.spl.org/BooksAndReading

Enhance your reading experience with our reader resources.

BookFlix - Video picture books paired with related nonfiction books for preschool and elementary age children. Includes some books in Spanish.

Novelist Plus - An extensive database of fiction and nonfiction for adults, teens and children, including reviews, author read-alikes, awards, theme-oriented book lists, and more.

TumbleBook Library - Animated, talking picture books for preschool and elementary age children. Includes some books in French and Spanish.

It's so easy!

What is a database?

Our databases and online resources collect verified, accurate information from sources like newspaper, magazines and encyclopedia entries. With these resources, you can access trusted information and materials that are not freely available on the internet.
